

Welcome to Copenhagen

EUBS 2027

EUROPEAN UNDERWATER &
BAROMEDICAL MEETING

Invitation to Sponsorship & Exhibition

8 – 11 September 2027
At the Scandic Copenhagen
Denmark

European Underwater and
Baromedical Society

Dear Colleagues and Friends,

On behalf of the Organizing Committee, it is our distinct honor to invite you to the Annual Scientific Meeting of the European Underwater and Baromedical Society (EUBS), to be held in Copenhagen, Denmark, 8-11th of September 2027. This meeting will bring together leading experts in underwater and hyperbaric medicine, physiology, and related disciplines to exchange knowledge, present new research findings, and advance the field through international collaboration.

Copenhagen, with its strong academic tradition and commitment to medical excellence, provides an appropriate and stimulating setting for this scientific assembly. Denmark has a long-standing engagement in diving and hyperbaric medicine, supported by both clinical expertise and maritime heritage. Our new, state of the art, hyperbaric medicine center at the University Hospital of Copenhagen, Rigshospitalet, is experienced in delivering hyperbaric medicine to all approved indications and hold a strong research profile. We accommodate two trippe lock muliti-place chambers and two mono-place chambers.

The scientific programme of EUBS 2027 meeting in Copenhagen will be complemented by opportunities for professional networking in a setting conducive to constructive dialogue and collaboration. The scientific program will be supplemented with internationally renowned scientists within the field.

Beyond the congress, Copenhagen offers exceptional experiences – from its vibrant waterfront and historic landmarks to its world-renowned culinary scene and sustainable urban lifestyle.

Why Should You Sponsor the EUBS 2027 meeting?

BRANDING: It provides your business with unique marketing possibilities through the EUBS website, emails, newsletters, invitations, apps, banners and merchandise before and during the congress.

NETWORKING: It provides your business with ideal conditions for networking by creating informal spaces – in between sessions and at receptions, breaks and cultural events. You can meet leading professors, researchers, and PhD talent building the future of Process Systems Engineering including AI and machine learning methods in the field of hyperbaric- and diving medicine, alongside key industry decision-makers – in relaxed settings during breaks, receptions, and social events.

AYING YOUR PRODUCTS OR SERVICES: An exhibition stand at the congress increases the visibility of your business and offers an easy way to make potential clients come to you. All exhibition stands will be placed near the catering locations, common facilities and joint events to ensure the highest possible visibility and accessibility.

We look forward to welcoming you to Copenhagen for what we anticipate will be a highly valuable and rewarding meeting.

Yours sincerely and on behalf of The EUBS 2027 Organizing Committee
Ole Hyldegaard
Head of Hyperbaric Medicine, Rigshospitalet
Clinical Professor of Hyperbaric Medicine
Secretary General of the EUBS 2027

Special Requests

Please let us know if you have any ideas for a sponsorship and we will customize this to you.

Meeting Rooms and Hospitality Suites.

The conference will make available a limited number of meeting rooms and hospitality suites for the companies taking part. Meeting Rooms may be hired for small meetings, staff briefings, etc. while hospitality suites will be more suitable for cocktails, informal get-togethers, etc.

Activities that compete with the scientific program of the conference are not allowed and these activities may not be promoted in any way prior to the conference.

Please note that only a limited number of meeting rooms and hospitality suites are available at the Scandic Copenhagen and that reservation is made on a "first come, first served" basis.
